

WARWICK SENATORS

WABL 2023 CLUB HANDBOOK

PARENT EXPECTATIONS

Buy into our club values and community.

Focus on the positives your child and their team are doing well when cheering from the sidelines.

Respect that sometimes decisions made in the best interests of the team and club as a whole might be counter to what you see as the best interests of your child.

That you support your coach and understand they are a volunteer doing a difficult job to the best of their ability.

That you conduct yourself to the highest possible standard of behaviour when involved in club activities (training, games, club events). This is an understanding that you are representing the club at all times.

PLAYER EXPECTATIONS

That you attend every training session and bring a high level of energy and a fantastic attitude to those training sessions.

Be coachable - give your coach your fullest attention at training and during games.

Be a great teammate - encouraging and positive, and someone who always speaks to other players in the way you wish to be spoken to.

Conduct yourself always as a representative of the club in all actions on and off the court.

Warwick Stadium Location

FUNDRAISING

To manage the significant costs of running a basketball club we will do two fundraising activities in 2023:

- 1) Raffle tickets to be sold through teams/players
- 2) Quiz Night activity in July

More information will come out closer to the dates.

NBL1 INVOLVMENT

To support our community and culture of connection from WABL to NBL we engage our teams in NBL1 game days.

U12s & U14 teams involved in a shared roster for floor wipers (parents you get in free that week!)

U16 & U18 teams involved in a shared roster for set up & pack down (parents....great to get your involvement here too, free entry on the night.

CONCERNS & COMPLAINTS

WABL is a big commitment and runs for almost 7 months from grading. Being part of a community means at times we have frustrations and concerns with one another.

If you have concerns regarding your child with matters such as court time, expectations etc. the point of contact is the team coach/manager (at least 24 hours after a game) to request a conversation to discuss.

Should the matter be broader, or you're unsure with how to address an issue, please email the Senators administration team and request a meeting with the Senators community coach. The role of the community coach, is to provide insight into next steps for you to take.

If the matter is related to child safety or a breach of the BWA code of conduct then a formal complaint must be completed.

The form can be accessed below:
<https://warwicksenators.com.au/complaints/>

ASONE CULTURE

Unity: there is no 'I' in TEAM, but there is a "U" & "I" in UNITY. We are stronger together than as individuals. We are stronger people in community than in isolation.

Integrated- To reach our potential, it takes more than just skill training, it takes a holistic approach. This development includes communication, humility, mental toughness, nutrition, strength & conditioning, & so much more. We want to see more well rounded players as well as complete people.

Community - As a basketball club want to foster a '3rd place' community which is welcoming, safe, conversant, accomodating & for all. This recognises there are no perfect people, no perfect coaches, no perfect referees, & no perfect players. It is our hope that the community recognises the need for one another.

MTM Physiotherapy Warwick is proud to be the continued preferred provider for Senators basketball for another year. Led by highly experienced Sports Physiotherapists, the team located within Warwick Stadium are ready to work alongside you to prevent or recover from injury. With before or after school appointments and Saturday morning availability, we are always on hand to help. Come and see one of our highly skilled Physiotherapists and don't forget to show us your Senators membership for \$10 off all appointments.
